GUIDANCE FOR THE DESIGNATED PROFESSIONAL BODY (DPB) LICENCE APPLICATION

Section 3 – Principal Office
The principal office is the office to which all communications on DPB matters will be sent.

For the clients’ property question, you should note that this includes any office that handles assets belonging to a client, including share certificates or clients’ money.

Section 4 – Other Offices and Trading Names
In this section, details should be inserted of all offices and trading names of the firm, including the so called “market day” offices used solely for interviewing purposes.

The trading name question refers to situations where a firm trades under more than one name but with the same owners. Please note, this does not include instances where, for example, the partnership structure is different from that of the applicant firm.

Section 5 – Principals
For the DPB/affiliate question, please use the following abbreviations: ICAEW, ICAS, ICAI or ACCA for accountancy bodies; LS (Law Society of England and Wales); LSS (Law Society of Scotland); LSN (Law Society of Northern Ireland); IA (Institute of Actuaries), to indicate the DPB of which the principal is a member.

If a principal is not a member of a DPB you will also need to complete an Affiliate form for each non-member principal. Please contact the Professional Services Department on +44 (0) 131 347 0282 to obtain a form prior to submitting this application. Please submit all forms together. If the principal concerned is not eligible for Affiliate status, a DPB licence cannot be granted by ICAS.

The year appointed should refer to the year you became a principal in the firm or its predecessor. If you are a sole practitioner give the year in which you began to practice as such.

Office information should include the location of the office from which the principal normally practices. If more than one office is used, please indicate the office which is regarded as the main office.

The flag section should only be complied by partnerships and corporate practices. Please indicate with “C” the principal who is to be appointed as contact principal who will ensure compliance with the DPB Handbook. The contact principal is also the person at the licensed firm to whom all correspondence will be sent. Please indicate with “S” the Senior/Managing Partner or Director.

Section 7 – Associate
An associate is a firm or company in which the firm, one or more of its principals or any closely-connected person has significant influence over the management and control. A person who is “closely-connected” to an individual is:

- the individual’s spouse or cohabitee unless he or she is separate or the individual has no knowledge of the financial affairs of the person;
- the individual’s children or stepchildren, under the age of 18; and
- a company in which the individual has a 20% or more interest.

Section 9 – PII
To be granted a DPB licence a firm must have in place professional indemnity insurance or other appropriate arrangements as required by the PII Regulations. If you have not already notified ICAS of your insurance details please enclose a copy of your cover note or schedule with the application. Please note that this application cannot be processed until these conditions are satisfied.
Section 10 - Eligibility
Where a firm has merged in the last 10 years, the questions relate to every constituent part of the merged firm.

A “Yes” answer to any of the questions on this part of the application form will not automatically result in a firm being refused a licence. ICAS may, however, wish to make further enquiries before reaching a decision. If you have any doubts about the eligibility of any of the firm’s principals or employees, contact the Professional Services Department on +44 (0) 131 347 0282 for advice.

If ICAS uncovers any matters which a firm did not disclose, this will be viewed very seriously and may jeopardise the firm’s application or continuing licence.
